## Altro Smart Collect Rewards Program

Altro Smart Collect provides a solution to help reduce our waste-to-landfill after installation. As a valued participant, contribute to a more sustainable future by recycling Altro off-cuts and earn points towards exciting rewards or credits for Altro accessories.

The more bags of off-cuts you recycle, the better the rewards. It's a win-win for your business and the environment.

Join us in reducing waste by showcasing your commitment to environmental responsibility. Enroll today at [altro.com/smartcollect](http://altro.com/smartcollect) and be a part of the positive change.
