

Altro Adhesive-Free Flooring Repurposing Pledge – Terms and Conditions

1. Introduction

Altro is committed to sustainability and social responsibility. As part of our pledge, we will ensure that every square yard of Altro adhesive-free flooring material used in the upcoming Los Angeles Olympics ("the Event") will be repurposed and installed in schools and other similar institutions in need in the Greater Los Angeles metro area. This document outlines the terms and conditions governing this initiative.

2. Scope of the Pledge

Altro will reclaim and repurpose all eligible Altro adhesive-free flooring materials installed at the Event. The repurposed flooring will be donated and installed in designated schools and institutions, selected based on need and feasibility and in suitable condition for reuse.

3. Eligibility and Selection of Recipients

- Recipient institutions must be nonprofit or public organizations such as schools, community centers, or other facilities serving the public interest.
- Altro, in coordination with relevant stakeholders, will determine eligible recipients based on available material, logistical feasibility, and demonstrated need.
- Institutions interested in receiving flooring must [submit an application](mailto:support@altro.com) to support@altro.com¹

4. Condition and Suitability of Flooring

- The repurposed flooring will be cleaned and assessed for safety and usability before reinstallation.
- While Altro will take reasonable steps to ensure the quality of the repurposed flooring, it is provided "as is" without any warranties beyond those required by applicable law.
- Recipients acknowledge that repurposed flooring may show signs of prior use and agree to accept it in its existing condition.

5. Installation and Logistics

- Altro or its designated partners will coordinate the removal, transport, and reinstallation of the flooring at selected institutions.
- Installation scheduling will be determined based on logistical considerations and recipient availability.
- Altro is not responsible for any installation of flooring and any costs associated.

6. Limitations and Liability

- Altro reserves the right to modify or discontinue this pledge at any time if circumstances prevent its fulfillment.
-

- Neither Altro nor its partners shall be liable for any indirect, incidental, or consequential damages arising from participation in this initiative.
- This pledge does not create any contractual rights for third parties, and participation is subject to Altro's discretion.

7. Governing Law

These terms and conditions shall be governed by and interpreted in accordance with the laws of the jurisdiction in which Altro operates in relation to this pledge.
