Mount Colah After School Care, Australia

Altro creates harmonious environment at school

"It looks great and modern. Everyone noticed it when they walked in and were saying that it looks very homely and natural. Everyone loves it!"

Sahar Khorrami,
Director Nominated Supervisor,
Mt Colah After School Care

1. Altro Wood™ Safety Comfort

Mount Colah After School Care, Australia

Altro creates harmonious environment at school

Issue

Mount Colah After School Care Association Incorporated is a non for profit community based service located in the grounds of Mount Colah Public School. They are licensed for 135 children and cater for all children from Kindergarten through to year six. With a fantastic reputation they are well known and respected by the local community.

With the need to update facilities Altro offered to do a free trial area of new flooring in their building.

Approach

Altro Wood Safety Comfort in the colour Antique Cherry was installed. This is perfect for tired feet and for reducing the levels of noise within a busy building. Even with activities such as painting, the floor is very easy to clean and maintain, beneficial in a busy education environment.

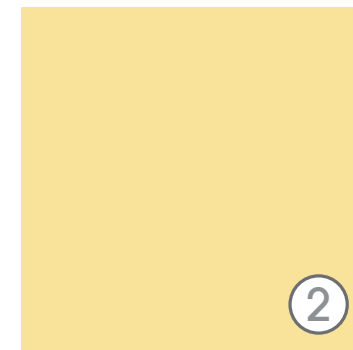

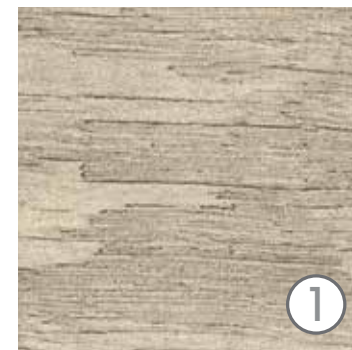

Solution

Altro Wood Safety Comfort offers aesthetics combined with comfort. It's an ideal choice for areas that need to look good while helping to give comfort underfoot. This 2.85mm thick option offers 14dB sound reduction, which is great for noisy environments such as schools and universities.

"The noise level from the amount of foot traffic we get has greatly reduced."

Sahar Khorrami,
Director Nominated Supervisor,
Mt Colah After School Care

Looks great with:

1. Altro Wood Safety™
2. Altro Fortis Titanium™
3. Altro Whiterock Digiclad™

Altro Wood Safety Comfort offers aesthetics combined with comfort. It's an ideal choice for areas that need to look good while helping to give comfort underfoot. This 2.85mm thick option offers 14dB sound reduction, which is great for noisy environments such as hospitals and kindergartens.

It is also suitable for wheeled traffic and low residual indentation facilitates the flexible use of equipment and furniture, including hospital beds.

With matching design and colour options across this range and Altro Wood Safety you can achieve a consistent look in different areas. Select from the ranges for the right technical performance required for the area.
