

# Customize your education program with Altro

## Request your next learning event with Altro

Family-owned and operated since 1919, Altro is a world-leading manufacturer and innovator in commercial floors and walls. We work with architects, designers, contractors and end users in healthcare, education, food service and other sectors, and from safety to aesthetics, use our expertise to help them transform everyday spaces into thriving environments.

### Course options

- CEU presentations - 1hr
- Sector presentations - 30mins
- Product presentations - 30mins
- Technical demonstrations - 20 mins

## AIA/CES, IIDA/IDCEC approved CEU courses (continued on next page)

### Hygienic operating room design

An informative seminar that examines the unique challenges and guidelines that must be addressed when designing operating rooms.

- 1 LU
- 1 HSW
- AIA
- CES
- IIDA
- IDCEC

### Designing for education

An informative seminar that examines the unique challenges that must be addressed when designing interiors for both K-12 and higher education.

1 LU  
1 HSW

AIA  
CES  
IIDA  
IDCEC

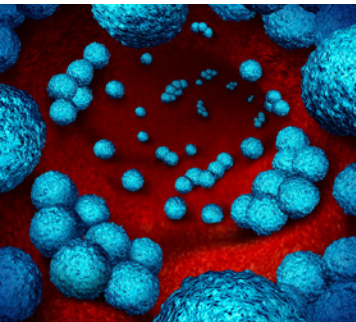

### Designing for neurodiversity

An informative seminar that explores the intricate challenges inherent in creating environments that cater to the neurodiverse. While rooted in educational considerations, this course extends its scope to various settings.

1 LU  
1 HSW

AIA  
CES  
IIDA  
IDCEC

### Preventing infection

An informative seminar examining the dangers of Healthcare Acquired Infections (HAIs) like MRSA, VRE and ESBL and how they can be avoided by selecting proper flooring and walling finishes.

1 LU  
1 HSW

AIA  
CES  
IIDA  
IDCEC

### Designing for an aging population

An informative seminar examining the difficulties seniors face with everyday tasks and how designing interiors to meet those needs creates a safe and comfortable environment.

1 LU  
1 HSW

AIA  
CES  
IIDA  
IDCEC

### Designing for behavioral and mental health

An informative seminar that provides an in-depth examination of the statistics surrounding behavioral and mental health (BMH) as well as facilitating treatment while promoting safety through successful BMH design.

1 LU  
1 HSW

AIA  
CES  
IIDA  
IDCEC

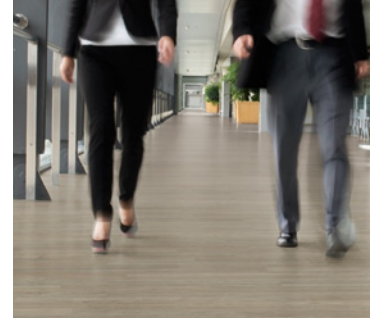

## Designing for underfoot comfort

An informative seminar that examines the correlation between flooring and its degree of underfoot comfort in relation to the development and prevention of musculoskeletal disorders in employees across various industries.

1 LU  
1 HSW

AIA  
CES  
IIDA  
IDCEC

## Safety by design

An informative seminar examining the dangers associated with slips and falls and the importance of choosing appropriate flooring.

1 LU  
1 HSW  
1FCSI

AIA  
CES  
IIDA  
IDCEC

## Specifying dementia friendly finishes

An informative seminar focused on understanding the physical and cognitive changes in those suffering with dementia, how dementia affects design decisions and the importance of choosing appropriate finishes.

1 LU  
1 HSW

AIA  
CES  
IIDA  
IDCEC

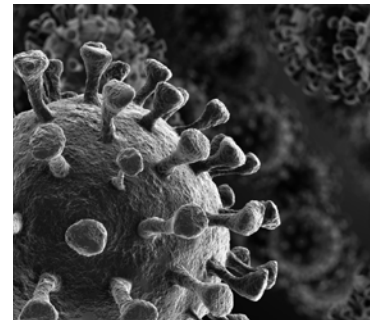

## Healthy building design

An informative seminar focused on promoting safety through linking the built environment to human health, as well as examining the impact of floor and wall surfaces on the wellbeing of employees.

1 LU  
1 HSW

AIA  
CES  
IIDA  
IDCEC

## Designing for healthcare: Wet environments

An informative seminar that provides a detailed overview of proper flooring, wall cladding and fixtures for wet environments in healthcare settings. Learn detailing and installation methods where safety is a primary focus.

1 LU  
1 HSW

AIA  
CES  
IIDA  
IDCEC

## Non-accredited courses and demonstrations

### Sector presentations

Discover how our portfolio of floor and wall solutions can help meet the needs of commercial kitchens, healthcare, education and multiple other spaces with our introductory sector presentations.

- Senior living
- Healthcare (includes BMH, ORs and Vets)
- Commercial Kitchens
- Education
- Cleanrooms and Labs
- Hospitality
- Solutions for comfort underfoot

### Product presentations

Learn how decades of experience and unrivaled innovation make our product range designed to create a complete solution and meet the toughest demands.

- Intro to smooth sheet flooring
- Intro to smooth tile and plank flooring
- Intro to slip-resistant flooring
- Intro to safety flooring
- Intro to adhesive-free flooring
- Altro wet environments installation details
- Recycled rubber floors: An intro to Altro Ollero
- Exterior solutions: An intro to Altro Promenade
- An intro to Altro Whiterock + Altro Puraguard
- Digitally printed walls: An intro to Altro Whiterock PopArt
- Tiled wall panels: An intro to Altro Tegulis

### Technical demonstrations

Learn how we go beyond a product's appearance by providing appropriate installation details and techniques for integrated floors and walls solutions that deliver lasting performance for the demands of that particular space.

- Altro adhesive-free installation
- Altro Whiterock installation
- Altro wet environments installation details
- Altro Tegulis installation
