## Pelayo Insurance, Spain

Pelayo Insurance selects Altro for office refurbishment

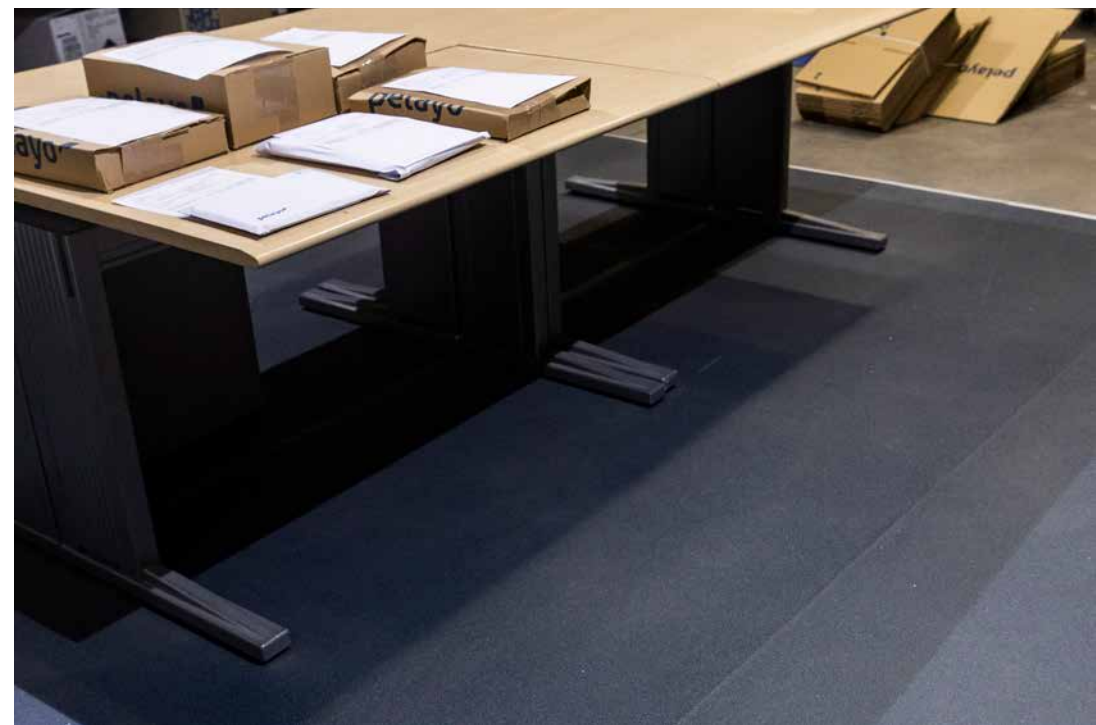

“We chose Altro because their flooring not only offers design, but also durability and safety. This combination allows us to improve the well-being of our employees.”

Amaya Navarro,  
Department of Works,  
Pelayo Insurance

1. Altro Operetta™ | Beat

2. Altro Reliance™ 25 | Midnight

## Pelayo Insurance, Spain

### Pelayo Insurance selects Altro for office refurbishment

#### Issue

The offices of insurance company Pelayo, in Madrid, Spain, were in need of an update to their offices and main storage areas. The goal was to enhance the visual appeal of the staff dining area and the work environment in the warehouses, seeking floor and wall solutions that bring together style, safety and comfort.

#### Approach

Upon thorough review of the available options, two key Altro products were selected that best fit the unique requirements of each space. Altro Operetta was the choice for the dining areas, featuring an aesthetically pleasing terrazzo pattern, which offers not only a sleek, modern look but is also easy to clean and maintain. In the main warehouse, Altro Reliance 25 was chosen, designed to endure heavy weights with a thickness of 2.5mm, while maintaining slip-resistant qualities, providing comfort underfoot, and diminishing the chill from the concrete warehouse floor.

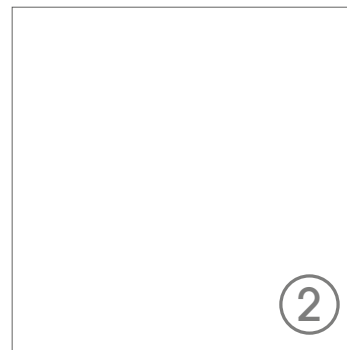

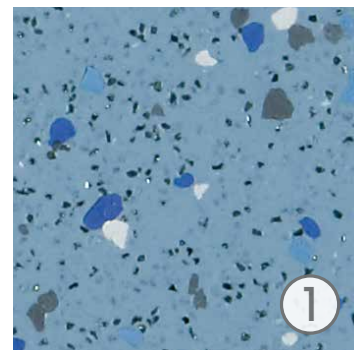

#### Solution

The introduction of the Altro floors has transformed the facilities. In the dining rooms, the terrazzo design of Altro Operetta has created a more welcoming and pleasant atmosphere for employees. In the warehouses, Altro Reliance 25 has significantly improved the safety and well-being of operators, reducing the risk of accidents and providing a safer working surface.

“Our collaboration with Pelayo is a clear example of how our products, such as Altro Operetta and Altro Reliance 25, can effectively and lastingly transform spaces.”

Gorka Amutio,  
Southern Europe Manager, Altro

#### Looks great with:

1. Altro XpressLay™ adhesive-free | Lake
2. Altro Whiterock White™ | White
3. Altro Fortis Titanium™ | Tan

Altro Operetta offers designer looks with 4dB impact sound reduction. Altro Operetta is a robust option for medium to high traffic areas in entrances, patient/school corridors, and retail.

Altro Reliance 25 is a stylishly tough 2.5mm safety floor for public areas where hard-wearing, cleanable and stain-resistant products are essential. Altro Reliance 25 provides added durability even with heavy foot and wheeled traffic, great in hospital corridors, laboratories, clinical areas and large reception spaces.
